

# KEY CLUB AGENDA

November 27, 2020

Secretary Notes (Thank you!)

## OFFICER MEETING

- Cannot do service projects as of now
- Plan for the spring
- We can do a positivity talk session with some students struggling with remote learning
  - Something that raises spirits is still very important, our activities do not always have to be money-based
  - Our activities revolve around helping the community in any way possible
- We can do a thanksgiving video with the Knightly Wrap Up, showing our gratitude for various things

## INTRODUCTION

- Support and assist the community, volunteer-based club
- Reach out to advisors and officers if there are any questions
- Team-building exercises will be conducted so raise familiarity with fellow members

## CHALLENGES

- Work with outside schools and talk with schools outside for most projects and ideas
- Administration has requested that we keep all our activities local, inside OBHS

- We need to make sure everyone's voices and ideas are heard for the betterment of the club
- Reach out to teachers, utilize different department teachers to get projects/ideas
  - Where there is a will, there is a way to find project ideas
- Dues will come later, when school is back in session
- We can "store" ideas for service projects for when school and the world is back to normal

## **OFFICER INTRODUCTION HIGHLIGHTS**

- Reach out to any officer with any ideas or questions
- We will help the community in any way we can
- Get friends to join because Key Club is very fun
- Times are difficult, but the community still needs our help in any way possible, so we will still help them
