# A Message From Your LTG

Hello Division 8,

Happy Fall everyone! Congratulations again to all of the newly elected officers for the 2021-2022 service year! I hope you are doing well and your school year has been going great. I have so many exciting updates in my newsletter this month. This includes some special updates and additional information on Division 8.

As you are all beginning to host more club meetings, please continue to promote community service events for your members and other district events such as Key Leader. It's important to begin sending out community service opportunities, such as conducting a food drive, participating in a beach clean-up, etc. I will be available if you need any help. If you have any questions, comments, or concerns, please do not hesitate to reach out.

Yours in Caring and Service,  
Steven Yuro

# This Years District Project is...

The District Project of the 2021-2022 service year is "Keeping the Garden State Green"! This year we will be focusing on methods to help and better the environment. Throughout the world, there are numerous environmental crises impacting the lives of millions. It is important for us as humans to protect Earth's ecosystem as well as adopt more sustainable practices. Soon enough, we will all be able to take part in this project and volunteer our hours to keep our state green!
